NEW QUARTIER LATIN HERE

Greenwich Village in New York Becomes Bohemian Capital of World as Result of War.

The European war has left the famous Latin quarter of Paris almost deserted; and a temporary paralysis lies. also, upon the art bohemlas of Munich. London and Rome. In default of competition, New York's "Greenwich Vilage" has thus suddenly become the new bohemian capital of the world, Charles Phelps Cushing writes in Cartoons Magazine.

We inclose "Greenwich village" in quotation marks out of deference to the older villagers, who, for the most part, are respectable Tummany Hall Irish-Americans and German-Americans, plain Americans and American Italians-all, or nearly all, resigned to making their living by pretty much the same methods as the masses do anywhere else; "The bulk of the neighberhood," declares so reliable an authority as the director of Greenwich house (community center), "Is made up of the conservative American working class-the clerk, the factory work er, the longshoreman, the office clean-

er, the teamster and the day laborer," The Greenwich village of old was as famous for its dignity and quiet as the "village" of today is noted for its "pagan revels." The Greenwich of a hundred years ago was a rural retreat two talles north of New York city, and was a stronghold of fashion and respectability. Numerically, the conservatives are yet well in the majority. but the limelight of publicity in recent times has been trained only on the Bohemians, So "Greenwich Village" has come to stand for the very reverse of all that it meant a generation back.

TOGO SAILS FOR BARGAINS

Dear Sir: I am now entirely missed from West Dewberry, Mass., near Boston, where it is. Reason for this are dissimilarity of intellect caused by Hon Mrs. Violet Sweet, lovely lady with Harvard voice and bargain arrangement of soul. I show you how was:

Last Thursday in the early a. m. of forenoon this Hon. Mrs. Sweet was setting with Boston news-print reading it up.

"Oh!" This from her.

"What is?" I requise chivalrously standing near respectful carpet-sweep. "Great sales are sailing in all Dept Stores! With immediate quickness must depart off and buy one."

"Can you afford this extravagance?" I ask to know.

"In buying bargains I never consider costs," she dib with mustard voice. She depart offwards up stairs. Pretty soonly she return backwards wearing fashionable length of clothing.

"Togo," she say for gently smiling, "how you like take vacation to day? "This would be good healthy for me."

"I generously grant this rest to you," she acknowledge. "All I require you to do is to come Boston with me & carry whatever shopping I buy." I am much obliged. So we depart off by railroad trolley while I carry suit-case, cloak, handbag & umbrella on my polite elbow. She sat proudishly in cars while I obtain rearward seat behind her.

Nextly we came to Boston. Hon. Mrs. Sweet make her feet very determined and at lastly we arrive to a swollen building containing glass windows full of wax ladies resembling Newport. Hon. Mrs. Boss say "Oh!" with raptures and emerge inside.

Nextly we descend up elevator. On next floor I observed a warfare, surrounding one enlarged sign pronouncing 'Great Slaughter of Waists." Hon. Mrs. Sweet see this and holla, "O such happy bargain!" Then she make inrush while acting like a mob.

She attempt to remove one refined clothing away from a fatty lady whose hat was rve on her head. "Where you come from to act so Indian?" require Hon. Mrs. Fattish.

"From West Dewberry, Mass., more better place than you!" snib Hon. Mrs. Boss "I shall teach you some manners," report Hon. Fattish making tug-jerk to

waist. I could not see that dear Mrs. Sweet thusly deposed upon, so I stand

forth with upturned bundle. "Stop off!" I holla to this wide woman. "How darest you be rude to a lady?"

Hon, Mrs. Boss and Hon, Mrs. Stout stand offward and look at me. "Togo," ensnap Mrs. Violet Sweet, "when you are called on you shall be called."

So I with drew backwards and permit her to finish that slaughter alone. Again she requesh me for handbag. I donate it to her.
"I shall keep it," she dib. "You are not safe with valuable accumula-

tions." So she gave me more swollen bundle for carry and proceed onwards.

"Where I shall find dish-pan, curling-iron and latest fiction-book bargain?" she require of Hon. Floorwalk.

"Three floor down-side take elevator," he computate. We do so and ar-

and other crashes of hardwear. Hon. Mrs. Sweet buy dish-pan, price 131/2c. I carry this. She obtain pat toaster, bird-cage & complete written books of Rud Kinling. I hang those to myself.

"Where I find millinary hats?" she ask out to Hon. Sell Lady.

"Top floor go upwards," she indicate. We do so. I stand back at respectable distance holding Hon. Bundlepackage with fatigued elbows resembling Santa Claus. Hon. Mrs. set befront of mirror-glass attempting to make herself look Vanderbilt for \$3,29 price. She try hat with roosters pointing upwards.

You look very swelled for the price," say Hon. Sell Lady. "Took it away!" commit Hon. Mrs. She try hat with roosters dropping

"So joyful appearance!" suppose Hon. Sell Lady. "Remove it!" said Hon. Mrs. At lastly she choose hatwear with roosters surrounding it in circles. Hon. Sell Lady enwrap it in box resembling truck and this are piled on top of me.

Thusly we start homewards. At lastly we was in Porterhouse Junction setting in depot awaiting changeear. Of suddenly Hon. Mrs. holla, "Oh!!!"

"What was?" This from me. I have lost Hon, Handbag. Elope back to Dept. Store with immediate

quickness and remove it from pin-counter where is." I set down all them bundle in pile resembling an Alp. Then I attach

myself to Hon. Trolley and ride back to where she say. With Samurai elbows I slide myself through them broad ladies in Dept Store and arrive up at pin-place. Oh Yes! There were that dear Handbag laying loosely amidst pile of needles signed "4c." I pick him up and start off-

While I was debutting out of door with Hon. Handbag on my proud wrist, one gentleman clasp me by coat.

"You are a shop snatcher!" he acknowledged glubly.

"I cannot assimulate your insult," I renig.

Where you obtain Hon, Bag?" he snuggle "He belong Hon. Mrs. Boss who is there!" I snagger.

"Come long to penitentiary!" he gubble, making dragging movements with my wrists. "Hara kiri!" I yall, and before he could be more abominable I give him jiu jitsu and knock him over a bargain. Then I commence eloping away with

talented foot-steps. "Stop Mr. Thief!" several human persons holla, and nextly I know I were a runaway with Boston attempting to catch up. I am a very sly Japanese, Mr. Editor, and when I was sufficiently entangle amidst streets I redoubled on myself and escape away to other sections of Boston where crimes was not noticed. 2 complete hour of time 1 hid there amongst flats. Then I emerge forth and catch rodheaded trolley so I should meet Hon. Mrs. at Porterhouse Junction.

"You got my handbag where was?" "Yes, please!" I gave it forth to her. She look at it with disjointed eyes.

"Living sakes!!!" This from her. She enjoy deep gusp and faint off. By slight water-sip I revive her back. "Damaged remnant of heathenish immigration!" she gollup, holding forth Hon. Bag. "Where you snatch this article of luggage?"
"Off from Hon. Pin-Counter," I say so.

"I never seen it before. It belong to someone else!" Thusly revolving she fainted out again. So I left her to enjoy it by hersalf and sklunk away feeling entirely impossible.
